SDS Pathway & Carers Pathway

The Persons Pathway is detailed in the SDS legislation and is essentially the journey you will follow if you meet the eligibility criteria for funded support. The presentation takes you through each step of the journey, giving you information on what will happen at each stage. The presentation also explains the SDS Four Options.

Outcomes & Support Planning Workshop

The outcomes focused support plan is one of the most important parts of the SDS journey. The support plan details what help you need and how you want it to be. This participative workshop helps you explore the journey from acknowledging the challenges you are experiencing through to identifying your personal outcomes.

(Requires completion of SDS Pathway session prior to booking this workshop)
